Declaration of consent – applicant data

Thank you very much for your interest in our vacancy. We take the protection of your personal data very seriously. When we are selecting candidates, our decisions are not influenced by a person's race, ethnic origin, gender, religion, ideology, disability, age or sexual orientation. We do not need you to provide us with any information that cannot be used in accordance with the General Equality of Treatment Act under Austrian Law or any other national or international legislation on equality of treatment. We also ask that you do not provide us with any confidential information or trade secrets pertaining to your former or current employer.

Before we can start processing your application, we need your consent.

Declaration of consent:

1. I hereby agree that I can be contacted in writing and/or by another means by Mosser Holzindustrie GmbH and/or Mosser Leimholz GmbH on the basis of the data I have provided for specific purposes within the scope of my application.
2. I hereby agree that the personal data I have provided (first name, surname, title, gender, date of birth, nationality, details relating to the completion of military/civil service, driving licences, education, work experience and special skills, information on the desired position and my availability, all of the data included in any attached documents, such as my CV or references, and the data included in my answers to the optional questions) can be processed by Mosser Holzindustrie GmbH and/or Mosser Leimholz GmbH as part of the application and candidate selection processes, meaning that this data can be collected, stored and kept within the scope of the applicable legislation on data protection. This personal data will only be processed as required as part of the application and candidate selection processes.
3. I hereby agree that the personal data provided by me as per point 2 may be kept on record for up to three years if my application is not successful so that it may be used in the event that I am recruited at a later date. All of the personal details provided as part of the application process will be deleted after this three-year period.

Data access, storage and security:

All staff responsible for filling vacancies at Mosser Holzindustrie GmbH and/or Mosser Leimholz GmbH will have access to your stored personal data. When using your data for the relevant purpose, these members of staff will ensure that it is treated as confidential in line with the legal provisions on data protection.

Your data will be stored on the Mosser Leimholz GmbH computer system at the Randegg site in Austria. Your data will be encrypted before it is stored and the servers are physically protected to prevent your data from being accessed by unauthorised parties.

Right to be informed and right to withdraw consent:

In line with the legal provisions, you have the right to be informed about your personal data and the right to have it corrected or deleted as well as the right to withdraw your consent to your personal data being used further.
